

The 2020 edition of the Lake Leelanau Lake Association Handbook is now available. Like previous editions, the 2020 Handbook contains a wealth of information about enjoying and preserving Lake Leelanau's pristine waters, natural vegetation, aquatic creatures and scenic beauty. This comprehensive book includes sections on water quality, shoreline landscaping and development, septic systems, swimmer's itch, invasive species, fishing and boating. The 2020 Handbook is an essential resource for Lake Leelanau riparian property owners and a valuable source of information for other county residents and visitors.

You can get your copy of the 2020 Handbook in either of the ways described below, which have been selected with social distancing in mind.

### **COST**

The 2020 handbook is free to active LLLA members. For past members or non-members, we encourage you to reactivate your membership on the Association's [website](#), or become a new member, at the membership level at which you feel comfortable. Alternatively, you can

simply make a donation to help defray our Handbook printing costs, in the suggested amount of \$5-10.
